NFPA 1410 Evolution Truck Co. Ops. SCBA Donning

Objective: To don assigned self-contained breathing apparatus in accordance with manufacturers and department procedures without errors in 60 seconds or less completing all safety checks.

Evolution Description:
This evolution shall consist of demonstrating the ability to don SCBA for immediate fireground use. All required safety checks and the proper use of all assigned PPE will be required for this evolution. Start evolution from assigned position or assigned method including; overhead, jumpseat, or coat method as specified by instructor in charge.

- Evaluation Criteria:**
- All required safety checks completed
 - SCBA donned without compromise of face piece seal
 - SCBA donned within prescribed time limit
 - All straps are fastened
 - All PPE worn correctly without exposed skin

Recommended Maximum time: 60 seconds or less completing all required safety checks. (1001 reference)
